Sponsorship buys a 4x8 sign and will be located on the field of the team that you sponsor. This year the Majors will wear replica Major League Uniforms and the Minors, Pee Wee and T-ball will wear replica Minor League Uniforms.

Your sign will be mounted on the field of the team you sponsor. The back Pee Wee field (BP) and the back T-ball field (Monsanto) will be the last fields to have signs mounted. The reason being is that those fields only have one game per day due to no lights. For maximum exposure we will put signs on the fields that have lights and are played on the most.
