

ALVIN LITTLE LEAGUE BASEBALL

Field Maintenance Checklist

- Pick up trash on and around the field as well as underneath the bleachers
- Empty all trash containers and put trash in dumpster
- Mow and rake field
- Mow all areas outside the field
- Weed eat and edge along fences and sidewalks
- Walk the fields and identify and repair all safety hazards
 - Fill any holes
 - Remove rocks, broken glass, etc.
 - If there is a safety issue that can't be fixed easily please report it to the league safety officer or any board member ASAP for proper repair
- Maintain base paths by removing grass and weeds
- Spray weed killer in hard to reach areas for weed control
- Treat any ant mounds
- Maintain the pitchers mound
- Maintain the base paths
- Water the fields
- Please contact your league director or any board member for access to field maintenance equipment if needed.

If each team will help maintain the park each night they play a game by picking up trash and removing / reporting safety hazards as soon as they are discovered then the time required during your Field Maintenance Duty Week will be minimum.

Please do not hesitate to contact your league director or any board member if you have any questions, comments or concerns.
